Trucks and Diggers

DK Publishing, Inc.

Busy town trucks

This big, white truck is taking food to the stores in the town.

More
town trucks

street sweeper

tow truck

garbage truck

mail truck

Gas tanker

Long tankers carry fuel to gas stations. The gas flows out of the tanker through a long, thick pipe. It ends up in containers under the ground.

I spy...

pipe

cab

wheel

wing mirror

Car transporter

A car transporter has a special double-decker trailer. How many cars is this transporter carrying?

More transporters

space shuttle transporter

digger transporter

car ferry

truck and trailer

Emergency

With lights flashing and sirens wailing, fire trucks rush fire-fighters to the scene of a fire.

More fire trucks

chief's fire truck

ladder truck

fire truck for rough ground

airport fire truck

Road train

Road trains are the longest trucks in the world. They travel a long way on desert roads, but are too big for city streets.

I spy...

trailer

metal grill

gas tank

cab

Snow plow

When roads are blocked by lots of snow, this truck comes to the rescue!

A snow plow has a large curved blade at the front to push snow off the road.

I spy...

tire

cab

plow

flashing
lights

Logging truck

Powerful logging trucks carry huge tree trunks. They take the heavy logs from forests to sawmills. This truck has a long arm to load and unload the logs.

I spy...

claw

headlights

arm

logs

Find the load

Different trucks carry different loads. This white truck is carrying vegetables. The men are emptying the vegetables into the trailer.

car transporter

garbage

milk truck

milk

Can you match each truck to its load?

logging truck

garbage truck

logs

car

Monster truck

The wheels of this big truck are almost as tall as a person!

More
amazing trucks

racing truck

water truck

giant dump truck

motor home

Digger

A digger has a metal bucket for scooping up earth and rubble. Some diggers are small and others are huge! Can you see the huge wheels on this digger?

I spy...

tire

cab

bucket

construction workers

Excavator

An excavator digs holes on a building site. It has a large bucket on the end of its long arm. Caterpillar tracks help this excavator drive over bumpy ground.

I spy...

bucket

caterpillar
tracks

cab

arm

Bulldozer

Building sites are full of rubble. A bulldozer has a strong, steel blade to push away heavy rubble. The ground is then cleared, ready for building.

I spy...

blade

cab

light

engine

Tractor

The most useful machine for a farmer is a tractor. It can pull a plow across a field or tow a trailer full of crops.

More farm machinery

all-terrain vehicle

combine harvester

tractor and plow

farm buggy

Road roller

This machine has wide wheels. The wheels are heavy enough to flatten the surface of a new road.

More
road builders

grader

scraper

concrete mixer

paver

Colorful trucks

Trucks and diggers can be many different colors. This tow truck is yellow with colorful stripes!

chief's fire truck

dump truck

delivery truck

recycling truck

Can you name the colors of these trucks?

ladder fire truck

airport fire truck

garbage truck

milk tanker

Truck shapes

Look back through the book and see if you can find the trucks and diggers that match the black shapes on the opposite page.

Try to match the transporter and road roller pictures first!
