See how they grow

PUPPY

Just born

I am one day old.

I cannot see or hear,
but I can smell.

I smell my mother and crawl to her.
She feeds me with her milk.

This is me!

Asleep in a heap

I am nine days old. I sleep
snuggled up warm and close to
my brothers and sisters.

I open my eyes but everything is
a blur. I soon fall asleep again.

Feeding time

I am two weeks old.
I am dreaming of milk, and I whimper and sniff.

I wake up.
Where is everyone?

Oh no!
They are feeding already.

I climb over Mom
and push in too.

Exploring

I am three weeks old and
I am growing fast.
I can see and hear
and walk very well.

Off I go to explore on my own.

Everything I find is new and interesting.

Playing with Dad

I am four weeks old and
I have my own bowl of food.
Dad is licking it clean.

Come on, Dad.
Play with me!

Oh good, now he
is ready to play.

Play fights

I am six weeks old and I am much bigger now. I love to play with my toy rabbit.

My sister wants to play with me.

But she has sharp teeth, so I push her away.

Hey! Now she is going off
with my rabbit!

Ready to go

I am eight weeks old,
and I am wearing my
new collar and leash.

My sisters are playing
tug-of-war with a leash.

My brother is trying to take me for
a walk, but I don't want to go.
