# Tails

by Alex Gomez

A fish has a tail.
It uses its tail
to swim in the water.

A dog has a tail, too.
It uses its tail
to wag.

The snake has a tail.
It shakes its tail
to tell you to stay away.

A horse has a tail.
It uses its tail
to slap at bugs.

The monkey has a tail.
It uses its tail
to swing on a tree.

A lion has a tail, too.
She uses her tail
to play with her cub.

A squirrel has a tail.

Its tail helps it stay warm.

A kite has a tail, too.
Its tail helps it fly in the sky!
