A Party for Panda

by Anna Keyes

Here is a panda cub.
This baby panda was born
at a zoo.

The cub was very, very small
when she was born.
She was only as big
as a stick of butter!
She had pink skin
and just a little white fur.

The mother panda
held the cub in her arms.
She fed her cub.

The vets at the zoo
checked the panda cub.
They checked her
as she grew and grew.

Now the cub has black fur
on her ears and
around her eyes.
She has black fur
on her arms and legs, too.

The mother panda
shows her cub
how to play
and how to climb trees.
She shows her cub
good plants to eat.

Many people come to the zoo
to see the panda cub.
They see her play
and climb trees.
They see her eat, too.

Today, there is a big party
at the zoo.

The party is
for the cub's
first birthday!
Happy birthday,
panda cub!
